ANNOUNCEMENT

We are again extending a cordial invitation to everybody interested in good Shorthorns to attend our Show and Sale this year. This will be our thirty-second Show and Sale at Sioux City. We have consistently tried, with some degree of success I hope, to build up these Sioux City sales into one of the largest and best consignment sales in this country.

Our Director, A. J. McCone, has personally inspected the sale cattle again this year. We can assure our regular patrons that they may return this year with full confidence that the quality of our sale cattle was never better. The offering this year consists of fewer but better bulls and the largest and best lot of females ever assembled for a Sioux City sale. Anybody desiring to improve his herd or found a new herd can surely find the breeding and quality desired in the cows and heifers catalogued this year. Your Officers and Directors have put forth their best efforts to assemble a high class offering for this year's sale.

Due to bad weather and traveling conditions, we were unable to secure the usual number of photographs this year, so many of the top animals can not be pictured in this catalog.

GENERAL INFORMATION

As heretofore, this sale will be held at the Horse and Mule Barns at the Sioux City Stock Yards, where the cattle may be inspected before sale day if so desired. At 6:30 Wednesday evening, our annual get-together meeting and banquet will be held at the Mayfair Hotel, to which all our patrons are cordially invited. Any of our officers or directors will supply free tickets. James Bach has again arranged the entertainment, sufficient assurance that it will be a jolly evening. Showing begins Wednesday at 10 o'clock sharp, and the sale at 12:30 sharp on Thursday, the 8th.

SHOW CLASSIFICATION

Wm. Milne, Manager Merryvale Farm, Grandview, Missouri, will be our judge this year. The prize money has been increased to \$892.00 as shown in the following classification, and we anticipate a real cattle show. Many state fairs do not hang up more prize money than we offer for our show. This liberal prize list is made possible through the cooperation and support of the American Shorthorn Breeders Association, the Sioux City Chamber of Commerce and Kiwanis Clubs and our Interstate Shorthorn Breeders Association.

Victor Command is probably one of the deepest, thickest and lowest set bulls you will find. He is the kind being sired by our great breeding bull, Edellyn High Command, whose imported sire and dam are great individuals in the famous Edellyn herd. A beautiful dark roan in color, Victor Command is a full brother to the Grand Champion and top selling bull in the 1944 Tri-State Shorthorn Breeders Show and Sale. He is also practically a blood brother to the outstanding red calf by Edellyn High Command that stood near the top and was third highest selling bull in the 1944 Interstate Show and Sale. Considering his top sired and his choice Bruce Augusta pedigree on his dam's side he should breed well without a doubt.

Count Command is only a June calf that shows a great deal of promise. He is a really red, curly coated fellow that has developed well since this photograph was taken. He is a full brother to the heifer that was reserve champion at the 1944 Sioux Empire Show and Sale at Sioux Falls, South Dakota. He is also sired by Edellyn High Command whose sire's and dam's imported breeding is of the best, and whose first crop of calves were among the tops in every consignment sale consigned to in 1944. Considering his color, type, conformation and breeding we consider him a real prospect.

Augusta's Lustre 4th is probably the best heifer we have bred. She has a sweet, breedy head and a beautiful rich red coat. She is exceptionally deep, thick and short legged with a wealth of natural fleshing though only a May calf. She is sired by our great breeding bull, Edellyn High Command by Imported Edellyn Command and out of Imported Collynie Lady Augusta by the famous Bapton Boxing Day. Her dam is a Bruce Augusta and one of our best daughters of Marellbar Scottish Hero who sired so many choice females for us. She should make an outstanding foundation female.
